Tech Stacks

Front End
- React
- Flutter
- Next.Js
- Wordpress

Back End
- Node.js
- Django
- Laravel
- Springboot

Database
- MySQL
- SQLite
- MongoDB
- PostgresSQL

Extra
- Docker
- Git
- Postman

Hard Skills

- PHP
- Python
- C#
- C++
- JavaScript
- Java

Soft Skills

- Application Design
- Client Relations
- Communication
- Problem Solving
- Quality Assurance
- Project Management
- Time Management
- Calm under pressure

Certifications, Seminars, Achivements

- **Firebase 101**

University of Caloocan

- **Back End Development and APIs**

FreeCodeCamp

- **Data Visualization**

FreeCodeCamp

- **Front End Development Libraries**

FreeCodeCamp

- **Scientific Computing in Python**

FreeCodeCamp

- **Radio Access Network**

USAID from the American people

- **JavaScript Algorithms and Data Structures**

FreeCodeCamp

- **Legacy Front End**

FreeCodeCamp

- **Responsive Web Design**

FreeCodeCamp

- **Data Management**

FreeCodeCamp

- **Robotics Certification**

University of the East

- **Cyber security Bootcamp**

SkillLogic

- **Technical Pitch**

Galena Scale Technology Corp.

- **Full-Stack Web Dev**

Galena Scale Technology Corp.

- **Best in Computer Science**

St. Louis College Valezuela

- **Cloud Computing**

USAID from the American people

- **Fiber Optic Technologies**

TerraHertz

Academics

- **St. Louis College of Valenzuela**
- **Graduate, Cum Laude - 2025**
- **Simplicio Gamboa Sr. Foundation Scholar (IT Group Inc.)**
- **Awarded scholarship for academic excellence**
- **Recognized for consistent high academic performance**
- **Best In Program**
- **Best In Computer Science**
- **Best In Mathematics**
